Directions:

Our office is located in the free port of Hamburg. The free port's traffic management system is arranged around port warehouses (Lagerschuppen). Within the free port, please follow the white signs to "Schuppen 65", which is located at Worthdamm, just next to Spilling Energie Systeme GmbH.

You can reach the free port by car as follows:

Via the A1:

Junction Hamburg-Süd via the A255 direction city centre, exit Hamburg-Veddel

Via the A7:

South of the Elbe, exit Hamburg-Waltershof via the Köhlbrand bridge
